

# Your *Dream Home*, Now With *Dreamier Savings!*

Pinch me, I must be dreaming—your dream home is almost here, and you still get to choose the finishes. These Head Start Homes are already in drywall, primed for your personal touch at our Design Center. Imagine moving in months sooner and adding your own style flourishes—quartz countertops, designer cabinetry, eye-catching light fixtures— it's all up to you.

You'll also enjoy up to \$85,000 in exclusive incentives\* plus a locked-in 4.5% fixed rate through our preferred lender.\* Want that luxurious homesite? Use the cash there. Prefer more upscale finishes or help with closing costs? Your call.

## DON'T WAIT! COUNT THE HOURS

These homes are stirring excitement—and inventory doesn't hang around. Once drywall turns into dream design, they're gone. Grab your spot before someone else snags the perfect blend of style and speed.
